B1.12 Data Management and Analysis

Ascentis will collect and hold data on learners in strict confidence. The data will be used for purposes connected with learners' studies and for the generation of statistics. The data will not be disclosed to any third parties except where there is a statutory requirement to do so for example the DfES. Under the current Data Protection legislation the centre must ensure that learners are aware of how their personal data will be processed. As this includes sensitive personal data the learner must give their consent to this. The centre confirms it is in compliance with this requirement.

Yes No

B1.13 International Provision

International centres are required to comply with and agree to the following as part of the centre recognition:

- The application for centre recognition **must include** a:
 - current prospectus
 - brochure or photographs
 - details of any satellite centres
- All applications **must be** accompanied by two letters of reference.
 - One **must be** a business reference (i.e. from a company with which the centre has a trading relationship)
 - One from an organisation with which the centre has an educational relationship (e.g. a letter of support from the country's Ministry of Education, other education authority, a University, or similar).
- If centre recognition requires a visit by an Ascentis reviewer or team of reviewers the cost shall be covered by the centre.

English is the language of the qualification, delivery and assessment, except where the subject is another language, or where approval has specifically been given.

- All qualifications delivered and assessed in a language other than English must have an independent translator appointed to them. The nominated person should be on the British Council or Institute of Linguists' register of translators or equivalent, and have previous experience in translation work in the language in question. There should be no close association with the centre which may compromise objectivity. All costs relating to translation requirements will be borne by the centre. Ascentis will require 100% of translated learner work for verification purposes.
- A full review is mandatory after the first year of operation.
