Ascentis Maths (QCF)

Mathematical Skills – Money: Adding and Subtracting Entry Level 3 Assessment Paper Guide time: 20 minutes

You must have:

- A pen – black or blue ink
- A calculator – question 4 only

SAMPLE PAPER

Instructions

- Do not open this paper until you are told to do so
- Answer all questions in the spaces provided
- Show all your workings
- Cross through any work you do not want to be assessed
- If you need more space to complete your answer to any question, use additional sheets of paper, write your name on each sheet and attach them to this assessment paper
- Answer all questions

Information

- There are 4 tasks to be answered, carrying a total of 25 marks for the paper

Guidance

- You are advised to work through the paper steadily, dividing your time between the tasks
- Pay attention to the marks available for each question
