Qualification Overview

The Ascentis Level 2 Certificate in Enterprise and Self-employment qualification is designed to help learners develop the knowledge and understanding of the basic principles of business innovation and entrepreneurship. This qualification introduces the learner to the importance of entrepreneurial skills within business and encourages them to consider their own skills within business and enterprise. This qualification can be used in an induction programme or integrated with a longer programme of study within a vocational area.

Aims

The aims of this qualification are to enable learners:

- To understand concepts in employment and business development.
- To understand entrepreneurship and recognise entrepreneurial skills.
- To understand managerial responsibilities and rights when running a business.
- To understand how to select an appropriate enterprise project.

Target Group

This qualification is aimed at a range of learners who have an interest in starting up a business project or running their own company, or those wanting to progress into further study within Business, Administration and Law.
