Ofqual Certification Review Date:	31/07/2025

Qualification Overview

The Ascentis Entry 3 Award in Healthy Living for Well-being and Mental Health qualification is designed to give learners knowledge and understanding of the basic principles of healthy living, including the importance of mental health, healthy eating and the principles of physical activity to support health.

There are several features of this qualification that make it very appropriate for its target learners:

- Assessment and certification can be offered throughout the year, allowing maximum flexibility for centres
- It can be delivered either as a classroom-based course or as a blended learning programme
- Assessments are primarily offered through an online multiple-choice test that will normally be taken at the end of the course. Assessments can be requested as a paper-based assessment, where required as a reasonable adjustment
- There are online resources that can be used alongside the teaching

Aims

The aims of the qualification are to enable learners to:

- Understand the importance of healthy living
- Understand the importance of mental health
- Understand the importance of healthy eating
- Understand the principles of physical activity for health

Target Group

The qualification is aimed at a range of learners, including:

- Young people wishing to pick up an Award as part of another learning programme
- Young people aged 14–19 who are in various learning environments
- Adult learners
