# Qualification Overview

The Ascentis Entry 3 Award in Introduction to Safeguarding qualification is designed to give learners knowledge and understanding of safeguarding, including the meaning and basic principles of safeguarding, types of abuse and their recognition features and possible safeguarding issues caused by modern technology.

There are several features of this qualification that make it very appropriate for its target learners:

- Assessment and certification can be offered throughout the year, allowing maximum flexibility for centres
- It can be delivered either as a classroom-based course or as a blended learning programme
- Assessments are offered through an online multiple-choice test that is designed to be taken at the end of the course. Assessments can only be requested as a paper-based assessment where required as a reasonable adjustment
- There are online resources that can be used alongside the teaching

## Aims
