Qualification Overview

The Ascentis Level 1 Award in Mental Health and Well-being introduces learners to the terms 'mental health' and 'well-being' and the different types of conditions and the support available.

There are several features of this qualification that make it very appropriate for its target learners:

- Assessment and certification can be offered throughout the year, allowing maximum flexibility for centres
- Can be delivered either as a classroom-based course or as a blended learning programme
- Assessments are offered through an online multiple-choice test that is designed to be taken at the end of the course. Assessments can only be requested as a paper-based assessment, where required as a reasonable adjustment.
- There are online resources that can be used alongside the teaching

Aims

The aims of the qualification are to enable learners:

- To understand what is meant by the terms 'mental health' and 'well-being'
- To understand different mental health conditions and treatment
- To know how to find support for mental health conditions
- To know how to look after own mental health and well-being

Target Group

The qualification is aimed at a range of learners, including:

- Young people wishing to pick up an Award as part of another learning programme
- Young people aged 14 – 19 who are in various learning environments
- Adult learners
