Qualification Overview

This qualification provides learners with knowledge and skills enabling them to make balanced and informed choices about their life, both now and in the future, and to develop confidence in their own abilities. The qualification offers learners an opportunity to explore issues relating to the society in which they live and topics which may be relevant to their own lives.

There are several features of this qualification that make it very appropriate for its target learners:

- Assessment and certification can be offered throughout the year, allowing maximum flexibility for centres
- It can be delivered either as a classroom-based course or as a blended learning programme
- Assessment is by a multiple-choice test, offered on screen or on paper. This will normally be taken at the end of the course
- There are online resources that can be used alongside the teaching

Aims

The aims of the qualification are to enable learners to:

- Understand the importance of a healthy lifestyle
- Know about sex and relationships
- Understand ways of building confidence and self-esteem
- Understand the impact of body image

Target Group

The qualification is aimed at a range of learners, including:

- Young people wishing to pick up an Award as part of another learning programme
- Young people aged 14 – 19 who are in various learning environments
