Qualification Overview

This qualification has been designed to help individuals to develop skills to move towards future employment in creative industries.

Aims

The aims of the qualification are to enable learners:

- To try out different areas of the creative industries
- To develop a range of basic skills for use in the creative industries

The primary purpose of the qualification is to support learners to the next level of vocational learning in skills needed for the creative industry.

Target Group

This qualification is aimed at learners who need a qualification that will allow them to progress onto further learning in the creative industries and who would eventually like to work in an area such as craft, design, journalism, film, theatre or photography.

Regulation Codes

Ofqual Qualification Number:

- Ascentis Level 1 Certificate in Creative Industry Skills: 601/7540/0

Assessment Method

All units are internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria. They are internally assessed and verified by the centre and then externally verified by Ascentis.
