for Verbal Pupils with Autism

Spectrum Disorder: From Theory

into Practice

Rule of Combination

Ofqual Number:	601/7251/4
Ofqual Start Date:	01/09/2015
Ofqual End Date:	31/07/2020
Ofqual Certification End Date:	31/07/2021

Qualification Overview

The Ascentis qualifications in Speech and Language Support provide the practical skills and underpinning knowledge to enable those working with children and young people to develop the speech, language and communication (SLC) skills of all in their care, but particularly those with difficulties in these areas.

These specialist units are available so that learners can develop their skills with a specific age group, e.g. 0–3s, 3–5s, 5–11s and 11–16s, or those with specific needs, e.g. severe and complex communication needs or autism spectrum disorder.

Aims

The Ascentis Level 2 Award in Communication Support for Verbal Pupils with Autism Spectrum Disorder: From Theory into Practice aims to:

- Build practitioners' confidence and skills to support the communication and language development of ALL children aged 5–11 years but especially those with speech and language difficulties
- Provide educational settings with a highly skilled workforce to help narrow the gap and improve the life chances of young children

This qualification is also suitable for those working with children learning English as an additional language and other special educational needs.

Target Group

This qualification is aimed at individuals aged 16–18 and 19+ working in educational settings.

It would be best suited to learners who have previously achieved other qualifications at Level 2 and above, such as GCSEs, although this is not a prerequisite.

Learners need to be able to observe and communicate with children and young people to provide practical evidence for their portfolio.

Regulation Codes

Ofqual Regulation Number: 601/7251/4

Assessment Method

All units are internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria. They are internally assessed and verified by the centre and then externally verified by Ascentis.
