Qualification Overview

The Ascentis Level 2 Certificate and Diploma in Education Professions are designed to help learners make an informed choice about a career in education and training. Achievement of these qualifications could act as progression towards programmes of study at Level 2 or Level 3 such as an Apprenticeship programme or the Access to HE Diploma.

There are several features of these qualifications that make them very appropriate for their target learners:

- Assessment is through the building up of a portfolio of evidence, allowing flexibility in terms of the learner putting together evidence most appropriate to their learning situation
- A flexible optional unit structure allows learners and tutors to choose learning that is relevant to their specific needs
- Units are available at both Level 1 and Level 2
- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres

Aims

The aims of the qualifications are to enable learners:

- 1 To promote the skills required for learner self-confidence and further study
- 2 To encourage learners to consider a career in education and training
- 3 To reward the achievement of learners for the skills that they have developed

Target Group

These qualifications are aimed at learners wishing to develop skills in education and training and who may wish to go onto further study or work in this area.
