Ofqual Certification Review Date:	31/07/2024

Qualification Overview

This qualification has been designed to help learners develop the essential and transferable knowledge and skills required in order to progress primarily to Level 3 qualifications in the social sciences and humanities.

Aims

The aims of the qualification are to enable learners:

- 1 To progress to further learning
- 2 To develop study skills
- 3 To develop skills and knowledge in the areas of social science and humanities

Target Group

This qualification is for learners who:

- Have gaps in their skills or knowledge, perhaps because their schooling was interrupted or disrupted, or because they are returning to study after some time away from formal learning
- Are interested in a career in social science and are not yet ready to access a Level 3 qualification
- Need to build the confidence, skills, knowledge and understanding needed to progress to Level 3
- Need to build a foundation of knowledge and understanding in an unfamiliar vocational area

Regulation Codes

Ofqual Regulation Number: 601/7058/X

Assessment Method

All units are internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria. They are internally assessed and verified by the centre and then externally verified by Ascentis.

Rule of Combination

Ascentis Level 2 Certificate in Skills for Further Study in Social Science and Humanities

The learner must achieve 25 credits. 15 credits must come from Group A. A maximum of 10 credits may be selected from Group B and a maximum of 10 credits will count from the units in Group C
