Ofqual Certification Review Date:	31/07/2023

Qualification Overview

This qualification has been designed to provide the skills needed to become an effective mentor. The qualification will allow learners to try out their own mentoring skills, learning the boundaries of the mentoring role and the benefits that mentoring can bring to other people and the community.

Aims

The aim of this qualification is to provide the skills and knowledge for learners to become effective mentors. Learners will also develop some basic skills to help assess their own effectiveness as a mentor.

Target Group

This qualification is for learners who:

- Are considering working as a mentor, coach or classroom assistant in the future and would like a brief introduction into the mentoring role
- Would like to develop basic mentoring skills to enable them to progress to higher levels of vocational learning designed to support other people
- Need to practice and develop interpersonal skills

Regulation Codes

Ofqual Regulation Number: 601/6324/0

Assessment Method

All units are internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria. They are internally assessed and verified by the centre and then externally verified by Ascentis.

Rule of Combination

Ascentis Level 1 Award in Mentoring

All three units are mandatory – a total of 6 credits
