Qualification Overview

The Ascentis Level 1 Certificate in Warehousing and Storage qualification is for learners who wish to work in the warehousing and storage industry. This qualification aims to provide learners with an introductory route to this sector as well as a foundation for those who may already be working in the sector.

There are several features of this qualification that makes it very appropriate for its target learners:

- Unit certification is available for each of the units
- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres
- Evidence can be generated within a wide range of organisational contexts, allowing the qualification to meet the specific occupational requirements of the learners

Aims

The aims of this qualification are:

1. To guide and assess the development of learners' knowledge and skills to a level required by employers in the warehousing and storage industry
2. To promote the gaining of work-related skills within warehousing and storage
3. To prepare learners for further training

Target Group

This qualification is aimed at young people aged 16+ and adult learners who have an interest in a career within warehousing and storage and want to develop their knowledge of working in the sector.

Assessment Method

All units are internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria, internally assessed and verified by the centre and then externally verified by Ascentis.

On completion of the learners' evidence for either the individual units or the Level 1 Certificate, the assessor is required to complete the Summary Record of Achievement for each learner. The Summary Record of Achievement asks assessors and the internal verifier to confirm that the rules of combination have been followed. This is particularly important in cases where a learner has taken units at different levels. The Summary Record of Achievement form is provided in Appendix 1.

Centres are required to retain all evidence from all learners for external verification and for four weeks afterwards in case any appeal is made.
