Qualification Overview

This qualification recognises the significant learning that takes place in order for some speakers of other languages to be ready to undertake further study. It recognises learners' ability to move around their place of learning and to develop the necessary study skills to be able to access the ESOL core curriculum in the future. It offers a flexible approach to assessment, with a defined lexis and content. It allows learners to practise the underpinning skills in speaking, listening, reading and writing in order to enable them to learn English effectively.

There are several features of this qualification that make it very appropriate for its target learners:

- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres
- The qualification can be delivered in a range of settings
- Downloadable assessments are available on demand
- Each unit is internally assessed
- Externally set assessments are internally marked by centre assessors and then externally verified by Ascentis
- Mark schemes are user friendly and provide sufficient detailed information to support consistent assessment decisions
- Assessment dates are determined by the centre, not Ascentis
