

**Name:**

**Title:** Quality Assurance Manager

**Department:** Awarding and Quality Assurance

**Reporting to:** Senior Quality Assurance Manager

**Job Purpose:**

Reporting to the Senior Quality Assurance Manager, the Quality Assurance Manager will work to ensure the integrity and academic standards of the Ofqual, CCEA, Qualifications Wales and Access to HE regulated provision. The post holder will be responsible for the planning, implementation, monitoring and review of quality assurance activities. The post holder will also contribute to the development of strategies to meet agreed company objectives and will also support stakeholders in understanding key quality processes and documentation to enable them to consistently meet the required regulatory standards. The post holder will manage the remote Subject Moderators and External Quality Assurers to ensure they are providing an excellent service to our centres.

**Job Responsibilities:**

1. Support the Quality Assurance function to ensure that Ascentis meets the standards required by senior management and by the regulatory authorities with respect to quality assurance;
2. Manage and monitor all aspects of quality assurance work including the centre recognition process, external moderation/verification activity and external assessment activity, following processes implemented by the Company from time to time to ensure customer service and quality assurance targets are met;
3. Work with relevant internal and external stakeholders regarding quality assurance processes and procedures for new and existing provision throughout the qualification development process;
4. Recruit, train and manage remote Subject Moderators/External Quality Assurers by monitoring their performance and providing them with feedback as required, to ensure an excellent service is provided to our centres;
5. Contribute to and manage (where appropriate) investigations in relation to cases of maladministration and malpractice;
6. Provide support, advice and guidance to recognised centres, potential new customers and Subject Moderators/External Quality Assurers on quality assurance issues and deliver and arrange staff development sessions as appropriate;
7. Plan and manage Ascentis' quality assurance events, by ensuring adequate preparation and liaising and internal and external stakeholders;
8. Contribute to the Ascentis marketing strategy and marketing events as required;
9. Manage the development and maintenance of quality assurance documentation e.g. procedures, manuals and handbooks;
10. Manage centre sanctions and appeals in liaison with the Senior Quality Assurance Manager when required;
11. Manage the provision of Reasonable Adjustments and Special Considerations;
12. Contribute to regulatory audits as relevant to quality assurance issues;
13. Report to relevant committees on quality assurance issues e.g. Awarding Organisation Committee and Access Validating Agency Committee;
14. Contribute to self-assessment activities as relevant to quality assurance issues;
15. Represent Ascentis at external local, regional and national events, including regulatory events.

Success Measures

1. Regulatory compliant Quality Assurance processes are used efficiently and effectively to manage centre delivery
2. Subject Moderators/External Quality Assurers processes are effective and positive feedback is received from centres

Corporate Responsibilities

The following responsibilities apply to all roles:

1. Contribute as required to regulatory compliance and engage with other processes including business continuity, risk management and the internal audit process;
2. Contribute to the improvement of customer service;

3. Undertake any other responsibilities or tasks that are within the employee's skills and abilities whenever reasonable instructed commensurate to this role.
4. Understand and be committed to the Ascentis Vision;
5. Work hard and flexibly to achieve your targets and those of the Company and be positive at all times;
6. Actively support a problem-solving culture within your team by seeking to remove any barriers that stand in the way of achieving our targets;
7. Work flexibly to meet the needs of our customers;
8. Implement strategies to achieve continuous improvement in your own performance.

The above job description is a guide to the work you may be required to undertake but does not form part of your contract of employment and may change from time to time to reflect changing circumstances.
