“There was a lad 26 years of age, too frightened to come through the door, we encouraged him to come onto the programme and we put him on a Level 1 qualification. He completed his Level 1 units, he completed his CSCS. His confidence grew and he progressed to a full Level 2 qualification whilst volunteering at the College. I can now sit here with a smile on my face and say that young man has become a fully-fledged member of staff and that was thanks to the qualifications and support of Ascentis”.
