ABOUT ASCENTIS

Ascentis was originally established in 1975 as OCNW, a co-operative scheme between Universities and Colleges of Further Education. Ascentis was the first 'Open College' in the UK and served the needs of its members for over 34 years. Throughout this period, OCNW grew yet maintained its independence in order that it could continue to respond to the requirements of its customers and provide a consistently high standard of service to all centres across the country and, in recent years, to its increasing cohorts of overseas learners.

In 2009 OCNW became Ascentis – a company limited by guarantee and a registered educational charity.

Ascentis is distinctive and unusual in that it is both:

- **an Awarding Organisation** regulated by the Office of Qualifications and Examinations Regulation (Ofqual, England), Council for the Curriculum, Examinations and Assessment (CCEA, Northern Ireland) and Qualifications Wales

and

- **an Access Validating Agency (AVA)** for 'Access to HE Programmes' licensed by the Quality Assurance Agency for Higher Education (QAA).

Ascentis is therefore able to offer a comprehensive ladder of opportunities to centres and their students, including Foundation Learning, vocational programmes and progression to QAA-recognised Access to HE qualifications. The flexible and adult-friendly ethos of Ascentis has resulted in centres throughout the UK choosing to run its qualifications.

ASCENTIS ENTRY LEVEL 1 AWARDS / EXTENDED AWARDS / CERTIFICATE IN ENGLISH (STEPPING STONES TO FUNCTIONAL SKILLS)

Introduction

This Entry Level 1 suite of Awards in aspects of English is aimed at adults and young people who wish to improve their English. The Awards are intended to aid progression, either to further study through English Functional Skills or to GCSE English qualifications. The individual standalone units have been mapped to the Adult Literacy Core Curriculum and reflect the requirements of the reformed Functional Skills qualifications. An Entry Level 1 Certificate in English (Stepping Stones to Functional Skills) is also available. This is suitable for those who wish to improve all aspects of their English.

There are several features of these qualifications that make them very appropriate for their target learners:

- Small Award-sized qualifications are available as well as the unit certificates
- They contain relatively short units, each of 20/40 guided learning hours – bite-sized learning
- They can be delivered either as a classroom-based course or as a blended learning programme
- They are assessed by completion of Ascentis-designed time-constrained assessments – no portfolio of evidence is required
- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres.

Aims

The aims of this suite of qualifications are to enable learners:

1 To gain underpinning grammar, punctuation and spelling skills
2 To develop their reading and/or writing skills

Opportunities for Progression

These qualifications offer:

- The opportunity to move towards English Functional Skills at Entry Level 1
- Evidence of achievement for learners moving into the world of work or work-based learning

Mapping/Relationship to National Occupational Standards

These qualifications are mapped to the Adult Literacy Core Curriculum. This can be viewed at: https://www.skillsworkshop.org/resources/adult_literacy_core_curriculum_dfes_2001

The qualifications also reflect the Functional Skills subject content. This can be viewed at: https://www.gov.uk/government/publications/functional-skills-subject-content-english.

Centre Recognition

These qualifications can only be offered by centres recognised by Ascentis and approved to run these qualifications. Details of the centre recognition and qualification approval process are available from the Ascentis office (tel. 01524 845046) or from the website at www.ascentis.co.uk.

Qualification Approval

If your centre is already a recognised centre, you will need to complete and submit a qualification approval form to deliver this qualification. Details of the qualification approval process are available from the Ascentis office (tel. 01524 845046) or from the website at www.ascentis.co.uk.

Once approved, Ascentis will deliver subject-specific training free of charge to support you with the delivery, assessment and internal quality assurance processes for these qualifications. This training is mandatory due to the qualifications using externally set assessments, and all relevant centre staff must be fully aware of the requirements. This training must take place before your centre undertakes any assessments. You may start delivery of the content of the course in the meantime. All staff involved in the delivery, assessment and IQA of the qualifications (and those that have been listed on the centre recognition / qualification approval form) must be present at the training. If this is not possible, it is the centre's responsibility to ensure that the training is disseminated to those who cannot be present. Your EQA will contact you to arrange a mutually convenient date for this training.

Registration

All learners must normally be registered with Ascentis within seven weeks of commencement of a course via the Ascentis electronic registration portal. Late registration may result in a fee (refer to the latest version of the product catalogue).

Status in England, Wales and Northern Ireland

These qualifications are available in England. They are only offered in English. If you wish to deliver them in any other nation, please contact development@ascentis.co.uk

Reasonable Adjustments and Special Considerations

In the development of these qualifications, Ascentis has made every attempt to ensure that there are no unnecessary barriers to achievement. For learners with particular requirements, reasonable adjustments may be made in order that they can have fair assessment and demonstrate attainment. There are also arrangements for special consideration for any candidate learner suffering illness, injury or indisposition. Full details of the reasonable adjustments and special considerations are available from the login area of the Ascentis website www.ascentis.co.uk or through contacting the Ascentis office.

Inclusive Statements

These qualifications are intended to be as inclusive as possible to a wide range of learners without affecting the integrity of the qualifications. This includes:

Speaking and Listening

- The Speaking and Listening components may be assessed using sign language (e.g., British Sign Language, sign-supported English) where this is the learner's normal method of working.
- This can include access to augmentative speech equipment and such software as constitutes the learner's normal way of working.
- They do not depend on the use of written language or require the individual/s with whom the learner is communicating to be able to read.

Reading

- Text is defined as materials that include the use of words that are written, printed, on screen or presented using Braille.
- As a reasonable adjustment, learners who are classed as disabled under the terms of the Disability Discrimination Act (DDA) and use assistive technology as their normal way of reading can demonstrate that they are able to independently meet the requirements of the reading standards through use of screen reader software.
- A human reader cannot be used to demonstrate the requirements of the standards for reading as this does not meet the requirement for independence.

Enquiries and Appeals Procedure

Ascentis has an appeals procedure in accordance with the regulatory arrangements in the Ofqual *General Conditions of Recognition*[1]. Full details of this procedure, including how to make an application, are available from the login area of the Ascentis website www.ascentis.co.uk or through contacting the Ascentis office.

ASSESSMENT ARRANGEMENTS

Assessment

Each unit is assessed through an assessment to be taken under supervised conditions. Guide times are provided for each assessment. The assessment is internally assessed and verified by the centre and then externally verified by Ascentis.

The learner will evidence achievement of all the assessment criteria for each unit by completing the Ascentis-designed assessment for that unit. Once a learner has all the evidence for an Award or the Extended Award or Certificate, the assessor is required to complete the Summary Record of Achievement for each learner. The Summary Record of Achievement form is provided in Appendix 1.

Centres are required to retain all evidence from all learners for external verification and for four weeks afterwards in case any appeal is made. The work should be kept in the centre under secure conditions.

Ascentis-Designed Assessments

Each Entry Level 1 Award is assessed through Ascentis-designed assessments. These must be conducted in centres under supervised conditions.

The assessments are available to download in the secure examinations section of Ascentis' online portal. Once a centre has received qualification approval, access to the assessments will be given to the Examination Officer within the centre. The assessments need to be stored in secure conditions.

Three sets of live assessments will be made available per academic year. If a learner does not achieve a pass on their first attempt, two opportunities to re-sit the assessment are available. Further teaching and learning must take place prior to a resit being taken.

Each assessment has an accompanying mark scheme that shows the evidence required to demonstrate that each assessment criterion within a unit of assessment has been met. In order to achieve each unit, the learner must meet all the learning outcomes and assessment criteria of the unit.

Dictionaries are allowed in the Reading and Writing assessments only. Dictionaries should be monolingual. Either a paper dictionary or an electronic standalone dictionary with no other functions should be used. Dictionaries on phones, tablets or other electronic devices are not allowed. Dictionaries are not allowed in any other assessment.

Speaking

The Speaking assessments need to be completed under supervised conditions. The person supervising the assessment can also assess the performance of each learner. The assessor may be the learner's own tutor. Speaking assessments at all levels involve working with others in order to meet the skill standards. However, assessors must ensure that they assess individual performance. There may be occasions when the performance of other learners within a group may adversely affect another learner's ability to meet the skill standards. In these situations, the assessor needs to intervene to ensure that the candidate is not disadvantaged. Any assessor support given to learners during the assessment must be clearly documented for each learner using the Learner Assessment Record, which is provided in Appendix 2. It is recommended that centres make an audio or video recording as evidence for all learners. This will enable External Verifiers to confirm the appropriate application of the mark scheme.

A record of the outcomes of the Speaking assessment must be made. Centres should submit the following when requesting external verification:

- Learner Assessment Record (Appendix 2) – detailing the learner's performance
- Attendance list
- One copy of the Assessment Guidance and Mark Scheme for the assessment used

Speaking assessments at all levels can be completed at any time.

© Ascentis – October 2026 v2

The Use of Artificial Intelligence (AI) in Assessments

There are potential risks associated with the use of AI in assessments, such as the possibility of bias and the potential for cheating.

Centres are expected to detect and monitor the use of AI tools in assessments. Centres must be satisfied that the work provided is that of the learner. All learners must be aware that they are responsible for ensuring they are not cheating in assessments by using AI tools. All learners must cite the use of AI in their assessments where this is allowed.

VERIFICATION ARRANGEMENTS

Internal Verification

Internal verification is the process of ensuring that everyone who assesses a particular unit in a centre is assessing to the same standards, i.e., consistently and reliably. Internal verification activities will include: ensuring any stimulus or materials used for the purposes of assessment are fit for purpose; sampling assessments; standardisation of assessment decisions; standardisation of internal verification decisions. Internal Verifiers are also responsible for supporting assessors by providing constructive advice and guidance in relation to the qualification delivered.

Ascentis offers free refresher training in support of this role through an Ascentis Internal Quality Assurance webinar. The purpose of this is to provide staff in centres with knowledge and understanding of Ascentis IQA processes and procedures, which will enable them to carry out their role more effectively. Additional webinars, bespoke to the delivery and quality assurance of English and Maths (Stepping Stones to Functional Skills), are also available throughout the academic year. To book your place on a webinar or request further information, please contact the Ascentis Quality Assurance Team (qualityassurance@ascentis.co.uk). Further information is available from the login section of the Ascentis website www.ascentis.co.uk.

External Verification

In order to support the roll-on, roll-off nature of this provision, which is likely to be offered over short time scales, Ascentis will offer a flexible approach to External Verification. This will include verification by post.

Recognised centres will be visited in accordance with a verification model that is considered most appropriate for the provision. More frequent verifications can be requested from the Ascentis Quality Assurance team, for which there is usually an additional charge. External verification will usually focus on the following areas:

- A review of the centre's management of the regulated provision
- The levels of resources to support the delivery of the qualification, including both physical resources and staffing
- Ensuring the centre is using appropriate assessment methods and making appropriate assessment decisions according to Ascentis' requirements
- Ensuring the centre has appropriate internal quality assurance arrangements as outlined within the relevant qualification specification
- Checking that the centre is using appropriate administrative arrangements to support the function of delivery and assessment

External Quality Assurers will usually do this through discussion with the centre management team; assessment and Internal Quality Assurance staff; verifying a sample of learners' evidence; talking to learners, reviewing relevant centre documentation and systems.

Knowledge, Understanding and Skills Required of Assessors and Internal Verifiers

Assessors and those delivering these qualifications should be knowledgeable and competent within the areas of English and Literacy in which they are making assessment decisions/delivering these qualifications.

Centres are responsible for ensuring that all staff involved in the delivery of these qualifications are appropriately qualified. Ascentis will not be held responsible for any issues that relate to centre staffing which could impact on the successful delivery, assessment and internal quality assurance of our qualifications.

Those delivering these qualifications should preferably hold or be working towards a recognised teaching qualification. Assessors must be able to make appropriate assessment decisions. Internal Quality Assurers need to have knowledge and experience of the internal quality assurance processes.

Centres are required to ensure that appropriate training and support is in place for staff involved in the delivery, assessment and internal verification of Ascentis qualifications.

Ascentis offers free support for centres. Further information on the support that is available can be found on the Ascentis electronic portal or the Ascentis website.
